

Coronavirus **COVID-19**

Dear Harold's Cross Neighbour,

We are in the early stages of setting up a volunteer group to help those in need in the Harold's Cross area of Dublin at this challenging time.

We are mobilising a group to help our neighbours and one another out over the next weeks/months as required during the Covid-19 outbreak. We are following a Community Response Plan that has emerged from Dublin 8.

If you are interested in getting involved in some way, please fill out your details (there is a link on www.haroldscross.org) and we will be in touch with you.

Thanks in advance for your help

Tony Shannon
Maria McDonald
